Members will be sorry to learn that Trevor Foster indicated that 2011 would be his last year as Hon. Sec. Trevor has done sterling service over many years and his experience and wisdom will be hugely missed. If any member is interested in taking over this role next year and would like to "shadow" Trevor over the next 12 months to ease the transition, please get in touch with him.

An appropriate tribute was also paid to John Hodson who, like Trevor, has done marvellous work for the club over many years by servicing all our machinery and tending the outfield, which thanks to his efforts, is in an immaculate condition which is the envy of other clubs. He was elected a life member in well-deserved recognition of this devotion to the club.

The following captains and vice-captains were elected:

1 st XI Captain and Club Captain	Alex Britton

It will be noted by members that Mick Clay has resigned from the captaincy of the 3rd XI after many years of dedicated service during which time he firmly established what was then a newly-formed team, first in the Burton and District League and more lately in the DCCL. We offer him our sincere thanks for this vital contribution to the club's development.
