

Rolleston Cricket Club - Guidelines on Changing Rooms and Showering Facilities

1. Adults must not change, or shower, at the same time using the same facility as children
2. If children play for Open Age teams, they, and their parents, must be informed of the club's policy on changing arrangements.
3. Adults should try to change at separate times to children during matches, for example when children are padding up
4. If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club. *See 'Juniors Playing In Adult Matches, Changing and Showering Consent'*
5. Mixed gender teams must have access to separate male and female changing rooms
6. If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Suggest instead that they may change and shower at home.
7. The Photographic facility on Mobile phones/Laptops/Tablets **must not** be used in changing rooms.
